3. Discussion- many opinions on new groups waiting 90 days to get on the Area meeting list and to receive starter packet. Also it was brought to the committees attention that an NA schedule is in print and being circulated that has the Eastern Area name on it but has not been approved by the Area. Decision made to take to PR committee next month to find a solution.
4. The Stroll n' Troll wants the Literature office open for more hours. They have volunteers who are willing. Currently Lit office is open Mondays and Fridays from 8-9pm. Heather will look in to this for a solution.. Facility is very careful about who is allowed to have keys.
5. H&I wants to make some H&I t-shirts. They are willing to put some money together

themselves

to afford it. If there is money left over they would buy some books for panel leaders. The intent would be to attract others to H&I service and make sure all panels have current literature in their facilities. Much discussion followed on being accountable to Area for how the money would be spent and who would spend it.

Take to Groups:

1. Are any groups interested in starting a monthly bowling night as an Area activity after May? Please take a straw pole. Ask for ideas.....group teams, etc.
2. Do we want 2 GSA's per year to expand our knowledge regarding service?
3. Please refer to the CAR pages 49-50. Please go over all motions with your home group and vote. Our votes will go with Megan and Dave to Region in April and then will be taken by our Delegate to WSC (World Service Conference) on April 25<sup>th</sup>. All of our votes count. Please tally them and be ready to bring them to Area in March!

H&I : Permission given for H&I to spend \$550 to replenish their inventory (instead of monthly budget of \$350 since 2 months of literature was dispersed today)

In Loving Service
