By-law revision for the Outreach Committee

6 For 1 Against 17 Abstain

The motion will be voted on again due to the amount of abstentions and lack of quorum.

*******PLEASE TAKE BACK TO YOUR GROUP AND VOTE ON THE FOLLOWING MOTION*******

Pat M. - motion presented to EASC. To amend the current EASC bylaws to read as below.

Intent: since the Outreach Committee was created by EASC at the April 2010 business meeting and there was no language in the bylaws to reflect Outreach's purpose and function, the following is presented for consideration:

Purpose: The main purpose of the Outreach Sub-Committee is to help overcome the isolation that hinders the growth and survival of NA in our areas and groups. While the main emphasis of this committee is on

outreach efforts that are aimed at bringing geographically isolated NA groups into the larger community, fellowship development is not limited to those activities. The committee's function may also include assistance to persons and/or groups isolated by things such as personal choice, language, cultural differences, and/or physical limitations. The Outreach sub-committee shall coordinate the resources of the EASC with the needs of the individual groups. What Outreach does should depend on local needs. We shall always be outreach based.

Function: Currently, the function of this subcommittee includes:

1. Bringing unity and a message to groups: You are not alone.
2. Conduct learning days and workshops on group related topics (such as but not limited to: GSR orientations, group booklet learning days, Tradition workshops, chairperson orientations.)
3. Attending groups not represented by EASC, sharing the importance of group involvement in the area, and welcoming them to EASC.
5. Maintain communication with other ASC subcommittees.
6. Maintain communication with WSO group's coordinator and WSO Data Entry section (Group Registrations) as needed.
7. Performs any other activities that benefit the Outreach and Fellowship Development efforts in the area.

After a 10 minute break there were 27 GSR's 6 Voting Servants 22 Quorum
