- Vision

All efforts of the OK Region Service Committee are inspired by the primary purpose of the groups we serve. Upon the common ground, we stand committed. Our Vision is that one day:

- Every addict in the OK Region has the chance to experience our message and find the opportunity for a new way of life.
- NA service bodies throughout the OK Region work together in a spirit of unity and cooperation to carry our message of recovery.
- Narcotics Anonymous has recognition and respect as a viable program of recovery throughout the OK Region.

Our Vision is our touchstone, our reference point. Our Vision insures all that we do to achieve goals. Honesty, trust, and goodwill are the foundation of these ideals. In our service efforts, we rely upon the guidance of a loving Higher Power.
