**Old Business:**

**MOTION:**

**Proposal** - To move Areas that fall on weekend holidays to the weekend before.

**Intent:** To reduce commitment conflict and to increase participation at Area.

**(This was to be taken back to the groups for discussion and bring back for any input/discussion to area. This would be a BYLAW change and would have to be taken back the groups twice for voting.)**

**Discussion:**

One group asked what constitutes a holiday and what if holiday falls on a Monday. Another member asked if NA as a whole is endorsing a specific holiday if it is changing area for that specific holiday. Another member stated that it's not about recognizing the holiday, it's about recognizing that the members will not be present to participate at area during certain holiday weekends. Overall discussion was that a holiday would be any federally recognized holiday.

**However, due to member not being present that proposed motion, group decided to table motion for now to clarify language of motion. This will be discussed further at next area meeting.**
