Fellowship Development: Our literature has made it to the inmate tablets in the Oklahoma DOC facilities. Guidelines for the Probation and Parole literature rack project, the Reentry Resource Fair project and the DOC Project Coordinator have been submitted. Phone check-ins with P&P offices have gotten underway, seemingly without issue. The Reentry Fairs project continues, but has suffered some gaps in attendance, but it seems reinforcements have arrived. Have decided to purchase a 3rd literature kit for fairs. This will save on transferring current kits to different parts of the region.

For Group/Area Consideration:

After asking for feedback regarding regional events, many of the concerns we received as discouraging factors for the Clean and Crazy Campout were regarding the heat. Would the area/groups be in support of switching the times of the Clean and Crazy Campout and OKRCNA (OK Regional Convention of Narcotics Anonymous)?

The intent would be to have the campout when the weather was potentially less hot. Due to hotel contracts, if we did decide as a region to move the dates of these events, it would not take effect until 2027.

Positions to fill:

The Fellowship Development committee is seeking a Probation and Parole IP Coordinator and Resource and Re-Entry Fair Project Coordinator. The Probation and Parole IP Coordinator assists with calling probation offices and mailing IPs to be placed in the racks. The Resource and Re-Entry Fair Project Coordinator assists with the prison re-entry fairs. If you'd like more information, Keith T is the Fellowship Development Chair. These are really incredible service opportunities that make a huge impact. Even if you are not interested in the position, we do need support from members to assist with these tasks.

Sponsorship Behind the Walls (SBTW) is seeking sponsors! If you are interested in being a sponsor through the mail to inmates, please contact Denise A.
